# Western Kentucky University – School of Nursing

Course Number	NURS 527
Course Title	Advanced Psychiatric Nurse Practitioner III Internship
Credit Hour Allocation	5 semester hours (300 clinical hours)
Prerequisites	Admission to graduate Psychiatric Mental Health Nurse Practitioner (PMHNP) program, NURS 525/526.
Class Schedule	This is an internship practicum course. Faculty facilitates students' clinical sites with students' input on their placements. Each student is responsible for arranging a time with her/his course instructor for a site visit. Required scholarly work, Clinical PSYCH notes and Clinical Logs, are completed asynchronously through Medatrax.

## **Course Description**

This is the culminating clinical experience where students demonstrate theories and roles, along with competencies for advanced psychiatric nursing practice. Students will conduct comprehensive and systematic psychiatric assessments, diagnose common acute and chronic psychiatric illnesses, implement pharmacologic and psychosocial interventions, and evaluate treatment outcomes across the lifespan for patients with mental health problems and psychiatric disorders. A variety of settings across the healthcare continuum will be utilized. Multidisciplinary and interprofessional collaboration, a function of the Psychiatric Mental Health Nurse Practitioner (PMHNP), is integrated into clinical experiences. Course requires 20-25 hours per week clinical time.

#### **Course Objectives**

At the completion of this course, the student will be able to provide psychiatric mental health care to patients across the lifespan as evidenced by:

Course Objectives	MSN Program Outcomes
1. Assess psychiatric-mental health status of patients across the lifespan using appropriate advanced psychiatric examination skills.	<ol> <li>Demonstrate proficiency in the utilization of research and quality improvement, including problem identification, awareness of outcomes, evaluation and dissemination of research.</li> <li>Assume and develop practice and professional roles to meet societal needs to promote high quality, safe, patient care.</li> <li>Integrate theory and research from Nursing and related disciplines as a foundation for advanced practice.</li> <li>Demonstrate an understanding and appreciation of human diversity.</li> <li>Integrate theoretical knowledge of health promotion and maintenance and illness/disease prevention to achieve optimal health.</li> </ol>
2. Collect and analyze patient information to generate differential diagnoses for patients across the lifespan experiencing common mental health problems and psychiatric disorders.	Same as above.
3. Diagnosing and managing common mental health problems and psychiatric disorders with the application of evidence-based psychotherapy and psychopharmacology practice guidelines.	Same as above.

4. Implementing health promotion and disease prevention education.	Same as above.
5. Implementing psychoeducation, and health promotion/disease prevention education.	Same as above.
6. Collaborating with other healthcare professionals to coordinate services of available resources.	Same as above.

# Withdrawal from an Individual Class (while a term is in progress)

For various reasons, it is sometimes necessary for a student to withdrawal. Students will receive a failing grade if they cease to attend class without an official withdrawal from the Office of the Registrar. The last day

to drop this course with a "W" is listed in the <u>registration guide</u> on the WKU.edu website under Quick Links. Students may withdraw from a full-semester course and will receive a 'W' as a grade. The student should notify the instructor of the class AND their adviser in writing so that the student's plan of study can be reviewed and revised. Failure to follow this procedure could result in the student's failure to progress through the program in a timely manner.

## Communication

Communication includes verbal, non-verbal, F2F, Bb, WKU email, Medatrax, and/or Bb Collaborate. All communication will be respectful and professional. Bb, Medatrax, and WKU email communication will be written in a formal business format (clear heading, salutation, concise content, and appropriate closing). Assignments will be posted in Medatrax, and/or in Bb course. Email messages will be sent to individuals and groups of students via Bb to <u>only</u> WKU email addresses. Grades will be posted in the Grade Center on the Bb course site. Discussions/concerns about a grade must be put in writing via WKU email to the instructor within one week of when the grade is posted to Bb.

### Campus Closure

In the event of WKU campus closure(s), please check with course faculty through Bb for alternate assignments and/or information. Hybrid courses will continue in the online format. Online courses will continue as scheduled.

# **Course Policies**

Academic policies found in the Graduate Handbook and the WKU Graduate Catalog will be followed in this course.

- WKU is a non-smoking campus; as such this policy applies to all clinical sites. No tobacco products are to be used on clinical site properties; this includes inside your personal vehicle. Appropriate, clean, and fresh smelling attire is required when performing clinical hours. Student should inquire about appropriate dress before going to their clinical sites. Name badges and identification are to be worn at all times. Cell phones are to be turned off in the clinical site. IPads can be used for access to Medatrax and other medical software only with the volume OFF. Photographs and/or recordings should NEVER be recorded in the clinical setting. If you have any questions, please ask.
- Students are responsible for assuring that Bb and/or Medatrax assignments are successfully uploaded for grading and keeping a copy of her/his written assignments.
- American Psychological Association (APA) format (*in-text citations and references*) is required for written psychotherapy paper.
- **Policy on assignment due dates**: <u>Students are responsible</u> for meeting pre-established assignment due dates. A 1-point deduction will be earned for every day the assignment is **late**. A 1-point deduction will be earned if your **name** is not on your work.

#### Attendance and Course Requirements

This course incorporates preceptor synchronous and instructor guided asynchronous/synchronous learning through clinical experiences, Medatrax Logs, PMHNP notes, and self-evaluation of meeting PMHNP competencies.

Specifically, students are expected to observe and/or submit the following:

- This clinical course utilizes an online medical data tracking system called **Medatrax**. There will be a charge to the student directly from the company per month. Medatrax will be contacting you directly. This is the website for you to review <u>https://np.medatrax.com/default.aspx</u>.
- All students' health records are to be up to date prior to beginning their clinical experience. Student's updated Influenza vaccine information should be provided to Ms. Melissa Hamlin at melissa.hamlin@wku.edu.
- All students must wear their WKU picture ID badge in the clinical setting identifying them as a WKU

Grading Scale				
WKU	NURS 524			
<b>Pass</b> = 80 – 100	80 – 100 Points			
<b>Fail</b> = < 79.9	< 79.9 Points			
*Scores are not rounded.				

The final grade in the class must be a "Pass" to progress in the program. Students failing to obtain a minimum of a "Pass" should refer to the graduate nursing handbook for conditions of progression, classes that need repeating, and minimum GPA requirements.

## MSN Comprehensive Examination/Capstone Policy

The MSN program requires completion of an evidence-based project during the capstone course for each specialty. The capstone course is NURS 527 for the Psychiatric Mental Health Nurse Practitioner specialty. Specific requirements for the project are provided in writing in the specialty capstone clinical course. Failure to pass the MSN Comprehensive Examination will result in a delay in graduation from the program and/or dismissal from the program. One rewrite attempt is allowed with faculty permission. Failure may occur due to violation of the program's writing policy and/or failure to demonstrate proficiency in the program outcomes through completion of the MSN Comprehensive Examination. (Western Kentucky University, School of Nursing MSN Student Handbook, 2015-2016, p. 16).

**Important:** Only students who are in the MSN program are required to take the MSN Comprehensive Examination. Students who are in the Post-MSN certificate program are exempt from this requirement.

### **Technical Support**

It is the student's responsibility to become familiar with technology and Bb nuances and observe WKU technology recommendations that can be found on the <u>Information Technology Department</u> website. The phone number for IT is <u>270-745-7000</u>. Since this course is web-based, there may be an occasion(s) in which students cannot avoid technical difficulties. If you are have technical difficulties that interfere with the submission of a timely assignment, you must notify the course instructor via email prior to the <u>deadline and you must include your IT case number in your email or a copy of your email from IT that contains your IT case number</u>. Reported technical difficulties will be validated with WKU's IT department.

#### **Required equipment**

**Microsoft Office 2010:** Computer program software, Microsoft Office 2010 or later, is required for viewing the materials in this class. These documents will end in *.docx*. You must <u>only</u> use MS Word documents ending in <u>.doc or .docx</u> when submitting required course materials.

**Bb:** Access to the **WKU Bb** can be found through the WKU homepage by using the <u>Quick Links drop down</u> <u>box and clicking on My WKU</u>. You are responsible for checking for course updates and changes and you MUST have a WKU e-mail account/address for rapid communication with the instructor. WKU assigns all students an email account. It is all students' responsibility to check their WKU email account once every 24 hours for emails and notifications, as well as making sure that their email inbox is not full. All email communication is to be through your WKU email account.

#### **Campus Resources**

Students in this course have access to the <u>WKU Library</u> and to the <u>WKU Writing Center</u> either online or in person. Students are <u>expected to utilize</u> the WKU Library for research studies to support their scholarly work. If you need research studies that are not available at the WKU Library, please contact

carol.watwood@wku.edu and ask her to obtain the research studies for you.

**Do** <u>NOT</u> pay for research studies, as this is a service that is provided by the WKU Library. If students have difficulty with syntax, writing, APA citations, and/or APA references, they are <u>expected to</u> <u>seek assistance</u> at the WKU Writing Center. However, each student is responsible for the syntax and content of her/his paper(s).

#### Student Accessibility Resource Center

In compliance with university policy, students with disabilities who require academic and/or auxiliary

accommodations for this course must contact the Office for Student Disability Services in the first floor of the Downing Student Union, Room 1074. The phone number is 270.745.5004 and the email address is <a href="mailto:sarc@wku.edu">sarc@wku.edu</a>. Please DO NOT request accommodations directly from the professor or instructor without a letter of accommodation from the Office for Student Disability Services.

Western Kentucky University (WKU) is committed to supporting faculty, staff and students by upholding WKU's Title IX Sexual Misconduct/Assault Policy (#0.2070) at <a href="https://wku.edu/eoo/documents/titleix/wkutitleixpolicyandgrievanceprocedure.pdf">https://wku.edu/eoo/documents/titleix/wkutitleixpolicyandgrievanceprocedure.pdf</a> and Discrimination and Harassment Policy (#0.2040) at <a href="https://wku.edu/policies/hr\_policies/2040\_discrimination\_harassment\_policy.pdf">https://wku.edu/policies/hr\_policies/2040\_discrimination\_harassment\_policy.pdf</a>. Under these policies, discrimination, harassment and/or sexual misconduct based on sex/gender are prohibited. If you experience an incident of sex/gender-based discrimination, harassment and/or sexual misconduct, you are encouraged to report it to the Title IX Coordinator, Andrea Anderson, 270-745-5398 or Title IX Investigators, Michael Crowe, 270-745-5429 or Joshua Hayes, 270-745-5121.Please note that while you may report an incident of sex/gender based discrimination, harassment and/or sexual misconduct to a faculty member, WKU faculty are "Responsible Employees" of the University and MUST report what you share to WKU's Title IX Coordinator or Title IX Investigator. If you would like to speak with someone who may be able to afford you confidentiality, you may contact WKU's Counseling and Testing Center at 270-745-3159.

### Academic Honesty

"Western Kentucky University nursing students are expected to demonstrate a high standard of academic honesty in all aspects of their academic work and college life. Without intellectual integrity there cannot be genuine learning. Academic dishonesty represents a direct attack on this integrity. In taking tests and examinations, completing homework, laboratory and clinical work, writing papers, and using information technology, students are expected to demonstrate honesty. Cheating, plagiarism or other forms of academic dishonesty will lead to a failing grade on the assignment and/or a failing grade in the course. Repeat occurrences of this type of behavior can result in dismissal from the program" (Western Kentucky University, School of Nursing Student Handbook, 2014, p. 16).

"Academic Dishonesty-Students who commit any act of academic dishonesty may receive from the instructor a failing grade in that portion of the coursework in which the act is detected or a failing grade in the course without the possibility of withdrawal. The faculty member may also present the case to the Office of the Dean of Student Life for disciplinary sanctions." "A student who believes a faculty member has dealt unfairly with him/her in a course involving academic dishonesty may seek relief through the Student Complaint Procedure" (Western Kentucky University Graduate Handbook, 2014-2015, p. 41). The Western Kentucky University Statement of Student Rights and Responsibilities can be found in the Western Kentucky University Undergraduate Catalog.

#### Plagiarism

Students' work is expected to be the result of their own thought, research or self-expression. Plagiarism is the act of presenting the information, ideas, organization or phrase of another source without appropriate acknowledgment or credit given, <u>either intentionally or because of gross negligence</u>. Any act of plagiarism by a nursing student is not acceptable. Abstracted from Western Kentucky University Undergraduate Catalog.

"Plagiarism-Represent written work taken from another source as one's own is plagiarism. Plagiarism is a serious offense. The academic work of a student must be his/her own. One must give any author credit for source material borrowed from him/her. To lift content directly from a source without giving credit is a flagrant act. To present a borrowed passage without reference to the source after having changed a few words is also plagiarism" (Western Kentucky University Graduate Handbook, 2014-2015, p. 41).

Student work may be checked using plagiarism detection software. A score of zero will be applied to any assignment in which academic dishonesty has occurred. If it is considered cheating in the classroom, then it is considered cheating online. The WKU School of Nursing Student Handbook (current issue) governs all policies and guidelines not specifically addressed in this syllabus.

### **Course Changes:**

The faculty member reserves the right to make changes in the syllabus including adding or subtracting assignments or changing due dates if, in the opinion of the instructor, such changes will improve the course and/or enhance student learning. An updated syllabus will be given to students in writing by posting on the class blackboard site in such an event.

Please give me any feedback on the operation of this course as we progress – your feedback is critical to making it the best learning experience for you, your classmates and future classes. I look forward to having you in class and to a great semester!

Warmest regards;

Dr. Lynette Smith PhD, APRN, PMHNP-BC, FNP-BC
