Note: The schedule and procedures in this course are subject to change in the event of extenuating circumstances.

COURSE DESCRIPTION

Pediatric nursing concepts utilizing basic human needs, developmental theory, nursing process and therapeutic nursing interventions to promote and maintain health for selected populations.

COURSE OBJECTIVES

The student:

1. Utilizes nursing process to provide safe, competent, patient-centered care.
2. Applies the patient's preferences, values, and needs to provide patient care.
3. Uses clinical decision making when prioritizing patient care.
4. Identifies teaching needs of select populations.

EXPECTATIONS-GENERAL INFORMATION

Policies and Procedures

Each student will be responsible for following the policies and required curriculum as stated in the *LPN to ASN Student Handbook*.

Classroom Attendance

Students are expected to listen to the online lectures, complete the assigned reading, and take the required online exams.

Additional Learning Activities/Workshops/Testing/Etc.

Students will be given prior notice for any required learning activities/workshops/testing/etc that are scheduled outside class/clinical time. Attendance for these additional activities is mandatory to successfully meet the objectives of NUR 254.

Evaluation/Grading

The final grade for each student will be based on a percentage of total points obtained. Ninety percent (90%) of the course grade will be awarded from unit exams and a comprehensive final. Ten percent (10%) of the course grade will be awarded from the student's score on the course's HESI standardized examination. Unit examinations will consist of various test question formats including but not limited to multiple-choice questions. The final exam will be comprehensive. Testing material may be taken from text reading assignments, class lectures, handout materials, study guides, case studies,

instructional audio/video recordings, and assigned readings from sources other than course text.

Unit Exam 1	38 points
Unit Exam 2	38 points
Final Exam	30 points
Total Test Points	106 points

HESI Exam 100 points

Testing for this course shall be done in the WKU South Campus Testing Center, Approved Testing Center or Proctor-U. It is your responsibility to secure a testing time by contacting the testing center at **(270)-745-2953**. You must complete your exam **between the hours of 6:00 AM and 8:00 PM CST. On the assigned day.**

Use the following formula to calculate student course grade:

$$\left[\frac{\text{Total \# Unit \& Comprehensive Exam points}}{106} \times 0.90 \right] + \left[\text{HESI Exam \% Score} \times 0.10 \right] = \text{Course}$$

The grading scale for total points earned is as follows:

A ≥ 91.0% B ≥ 84.0% C ≥ 77.0% D ≥ 69.0% F < 69.0%

A student may not take an examination other than the scheduled date without satisfactory justification. The faculty members responsible for the course will jointly decide if the justification is satisfactory. **The student who does not notify the faculty of an absence for an examination and/or who cannot provide satisfactory justification for the absence can still take a makeup examination but the achieved score will be reduced by 10% of total points possible.** At the discretion of the course instructors, any makeup exam may consist of different test items or essay questions. Students are responsible for notifying their instructor if they are unable to take a scheduled exam prior to the scheduled test time. Makeup exams will be given as soon as possible, preferably within one week of the date of the original exam.

If a student is unsuccessful in NUR 254, Pediatric Nursing, the student may repeat the course in the next available term (second bi-term if applicable or the next semester).

Test Review

Test feedback forms will be returned within one week after an exam. Individual student appointments can be made for further test review with faculty. Any individual test review must be completed prior to the next test in that course. **No written notes may be made during test review.** Final exams cannot be reviewed. Appointments for test review with faculty members can be made using email.

Students wishing to appeal a test or assignment or other grade in this course must follow the following process.

Course Grade appeals must follow the university academic complaint process outlined in the WKU Student Handbook at <https://www.wku.edu/handbook/academic-complaint.php>.

Grade appeals (students seeking a change in grade) **must be based on an error in grading** (the student did not get the same points for the same response as everyone else in the class). If there is no error in grading and there is no math error in calculating the student's grade, then there is no basis for a grade appeal. Grades will not be changed just because a student is short of points to pass the course. Additional points for test or other assignments will not be considered after the student has failed the course, unless the test falls within the one week challenge period. Any test item challenges must be conducted in the week following the exam, and must be resolved with the faculty member at that time, based on information from the course materials such as the textbook. The faculty member is considered the expert and the faculty members' option of the correct answer will be the final answer.

Important Complaint Exceptions:

- Student Disability regarding denial of accommodations, the student must report to Student ADA Compliance Officer and follow WKU policy #6.1010
- Discrimination and Harassment concerns, see below reporting process and follow WKU policy #0.2040
 1. Discrimination must be reported by the student to the Office of Equal Opportunity Employment (EEO)
 2. Student-to-student harassment must be reported by the student to Office of Student Conduct
 3. Student-to-faculty/employee harassment must be reported to the Office of Equal Opportunity Employment (EEO)

Participation in Professional Nursing Organization

In order to successfully complete NUR 254, the student must attend one (1) professional committee meeting and participate in one (1) community event during the current semester regardless of theory grade achieved. See *LPN to ASN Student Handbook*
