Students must properly wear face coverings while in class regardless of the room size or the nature of the classroom activities. Students who fail to wear a face covering as required will be in violation of the WKU Student Code of Conduct and will be asked to comply or will face disciplinary action, including possible dismissal from the University. Accommodations can be requested in special cases through the Student Accessibility and Resource Center ([SARC](#)): [270-745-5004](#) (voice), [270-745-3030](#) (TTY), or [270-288-0597](#) (video).

All students must immediately report a positive Covid-19 test result or close contact with a person who has tested positive to the Covid-19 Assistance Line at 270-745-2019. The assistance line is available to answer questions regarding any Covid-19 related issue. Course Description: A study of the objectives, materials, organization, and instructional techniques in the Social Studies appropriate to grades K-6. Field experiences in public schools and/or other appropriate settings away from campus are required in this course. Students are responsible for their own transportation to designated or assigned sites. The university and faculty accept no responsibility for the described travel.

Clinical Experiences: ELED 507 is a field-based course. Clinical experiences will take place in public schools. Prior to entering field experience, students are responsible to have completed a background check, physical, and a negative TB test. You may obtain the necessary forms and information from the Office of Teacher Admissions. Failure to complete this necessary step will prevent a student from field experience and will result in a grade of "Incomplete" for the course. **You must complete 40 hours of classroom related experiences in this course. All assignments with a clinical experience component (lesson planning and lesson teaching) MUST BE COMPLETED to receive a passing grade in this course.**

Make sure you represent yourself and Western Kentucky University well by dressing appropriately. This means hiding tattoos and extra piercings and dressing where there is no viable cleavage or too much skin showing. Remember that you want to set the best impression you can at the schools you are placed.

It is not permissible for you to print materials or class work, check email, use a cell phone, or engage in other behavior that is not supportive of the learning environment while in your placement school. Confidentiality is extremely important as well and demonstrating a weakness in this area can cause you to lose your field placement, resulting in an incomplete for the course or removal from teacher education. Also see the Teacher Candidate Handbook for more information.

PARTICIPATION AND PROFESSIONALISM: Final grade scoring will be based on criterion such as (a) being ready for class at all times; (b) completing the assigned tasks throughout the course; (c) submitting assignments by 11:59 pm on the due date; (d) completing the field experience time as assigned (40 hrs). *Your grade will not be sent to the Registrar's Office without the completion of the service hours. A Code of Conduct Review can affect your professionalism. If your behavior warrants a review the consequences are as follows: Level A- up to 20% reduction in professionalism score, Level B- 50% reduction in professionalism score, Level C- 100% loss of professional points.* For explanation please see the Teacher Candidate Handbook.

Final grades for ELED 507 will not be forwarded to the Office of the Registrar until all field hours are completed.

Learning Outcomes:

This course prepares teacher candidates for meeting the challenges faced in teaching social studies in grades K-5. Candidates learn various strategies for motivating learners, how to select content from diverse sources, how to plan and deliver effective lessons, how to organize learners into effective instructional groups, how to utilize technology and how to assess what students have learned. We will be looking at primary and secondary sources to develop your understanding of teaching elementary social studies. The course objectives are stated corresponding to Kentucky Teacher Standards (KTS) for Preparation and Certification.

Course Objectives:

1. Demonstrate essential content knowledge of the key concepts and generalizations in history, geography, civics, and economics, appropriate for teaching elementary social studies.
2. Demonstrate knowledge of planning, implementing and assessment of student learning in social studies.
3. Use the various tools (i.e., maps, graphs, primary sources, etc.) and technologies for organizing, analyzing, and interpreting social studies information.
4. Develop assessment appropriate for students with special needs.
5. Utilize technology and other strategies effectively to teach students in a classroom setting

The Learning Center Peer Tutoring Services

The Learning Center (TLC) provides free tutoring services that empower students to achieve academic success. Trained peer tutors are available to review course content, answer questions, and demonstrate effective study strategies. TLC offers individual appointments and group sessions (PASS) for hundreds of undergraduate courses. For more information or to make an appointment, visit www.wku.edu/tlc.

Course Policies

Student Disability Services: In compliance with University policy, students with disabilities who require academic and/or auxiliary accommodations for this course must contact the Student Accessibility Resource Center located in Downing Student Union, 1074. The phone number is 270.745.5004 [270.745.3030 V/TTY] or email at sarc@wku.edu. Please do not request accommodations directly from the professor or instructor without a faculty notification letter (FNL) from The Student Accessibility Resource Center.

Statement of Diversity: We believe that diversity issues are of major import to student and school success. We fundamentally believe in and support the value of heterogeneous groups and the richness of benefits when students are involved with diverse populations, settings, and opinions. This course is designed on the basic assumption that learning is something we all actively engage in by choice and personal commitment. The format of this class will be a community of scholars, each with their rights and responsibilities of membership. We will not tolerate immoral, illegal, or unethical behavior or communication from one another, and we will respect one another's rights to differing opinions.

Plagiarism: To represent written work taken from another source as one's own is plagiarism. Plagiarism is a serious offense. The academic work of a student must be his/her own. One must give any author credit for source material borrowed from him/her. To lift content directly from a source without giving credit is a flagrant act. To present a borrowed passage without reference to the source after having changed a few words is also plagiarism. Students who commit plagiarism or any other act of academic dishonesty will receive a failing grade for the course and may be subject to dismissal from the program.

Academic Dishonesty

“Students who commit any act of academic dishonesty shall receive from the instructor a failing grade in that portion of the coursework in which the act is detected or a failing grade in the course without possibility of withdrawal.”

Attendance

It is your responsibility to attend each scheduled Zoom class session. In the event of extenuating circumstances and you know you will be missing a class, it is your professional responsibility to notify the instructor and make arrangements to turn in assignments BEFORE the missed class session. For further information regarding absences referred to Academic Requirements and Regulations in the WKU Catalog.

Cancelled Classes and Clinical Schools

In the event that the university cancels classes, you are expected to continue with readings as originally scheduled. Any assignments scheduled during those missed classes are due the next class period unless the professor communicates other instructions. If a clinical day is cancelled due to severe weather it must be made up on student's own time before or near the next assigned day. If a scheduled observation is missed the Teacher Candidate must make arrangements with site instructor and assigned clinical teacher for rescheduling.

Late Work

Required assignments and projects are due on the dates provided in class schedule. Late work will be accepted for up to 7 days with a 10% deduction per day late. No late work will be accepted after one week. At this time the student will receive a '0' on the assignment.

Redoing Assignments

Redoing coursework is not permitted. It is in your best interest to demonstrate your best effort as you complete each course requirement. A benchmark for success will be set for most assignments.
