

EMDS 500
Emergency Management Policy and Practices
Winter 2022 Syllabus

- I. Instructor:** David E. Oliver Ed.D., CSP, CEM
Office: 1716 Chestnut Street
Phone: (270) 745-4181
Email: david.oliver@wku.edu
Office Hours: By appointment
Lecture Format: Web-based (Online)
- II. Course Description:** Provides an in-depth look at disaster response and emergency management practices both within the U.S. and globally. The student will develop a thorough working knowledge of The Incident Command System, including application for small to large incidents, integration of command across local, state, federal and international response agencies.
- III. Disability Statement:** In compliance with University policy, students with disabilities who require academic and/or auxiliary accommodations for this course must contact the Student Accessibility Resource Center located in Downing Student Union, 1074. SARC can be reached by phone number at 270-745-5004 [270-745-3030 TTY] or via email at sarc.connect@wku.edu. Please do not request accommodations directly from the professor or instructor without a faculty notification letter (FNL) from The Student Accessibility Resource Center.
- IV. Class Attendance and Participation:** This is a web-based online course. Students are free to manage their schedules within and around the due dates of the various assignments. Participation in class discussion board assignments is required and students must participate on a regular basis throughout the course. **Class participation is a student responsibility and will be considered in determining the final grade.**
- V. Grading Procedure:** The instructor may modify the syllabus to accommodate appropriate coverage of topics. This course will utilize Blackboard to enhance learning opportunities. You should regularly access the course site to view announcements, course instructions, submit assignments, review lecture notes, etc.

Examinations: Examinations will be given according to the class outline. Test questions will be taken from discussion assignments, FEMA course material, lecture notes and course material discussed. All exams will be completed using the testing capabilities of the Blackboard learning management system. Students must take the exam at the scheduled date/time. Exams will be timed and scored immediately upon completion. The final exam must be taken on the date stipulated in the WKU Final Exam calendar or as directed by the instructor.

Discussions: **The minimum participation is 3 times on 3 separate days a week for each forum.** Each discussion assignment will be posted in the Discussion section of Blackboard. Grading will be based on the following requirements:

A (40-50 points) = Three or more substantial postings in each graded forum. The postings provide insightful comments and stimulate active discussion threads. Posts provide good responses to questions posed, read the comments of others and interact with them.

B (30-39 points) = Meets the minimum participation requirements. Postings initiate few interesting threads and are not interacting with others.

C (20-29 points) = Two substantial posts followed by one general response in each forum per week.

D (10-19 points) = Fewer than 2 postings or one day of participation and non-interacting.

Course Grading Criteria:

Examination	100 pts.	A = 360 - 400 Points
FEMA online courses (4@50 pts. each)	200 pts.	B = 320 - 359 Points
Course Project Assignment	50 pts	C = 280 - 319 Points
Discussions (2@25 pts. each)	50 pts.	D = 240 - 279 Points
		F = Below 240 Points
Total possible points	400 pts.
