University/ Department Policies

APA Style

All papers submitted in this course will be typed and formatted according to the Publication Manual of the American Psychological Association (7th ed.). **APA style will not be taught as a part of this course.** Students are individually responsible for obtaining and following APA style conventions, for part of the grade of each applicable assignment will be based upon the extent and accuracy to which these conventions are used. APA's Publication Manual is on sale at the campus bookstore, and students may also wish to consult the web for information on citing electronic references: [APA Style Reference](http://www.apastyle.org/elecref.html) <http://www.apastyle.org/elecref.html>.

Classroom Communication Policy

When referring to classroom observation experiences, students should: (a) maintain confidentiality regarding schools, school personnel, students, and students' families and (b) avoid negative evaluations/comments regarding others both in and outside of the course. Please use "people first" language. That means, that you always refer to a person first and the disability as secondary. For example, person with autism is correct – autistic student is incorrect. **Points will be deducted for misuse of people first language.**

ADA Accommodation Statement

In compliance with University policy, students with disabilities who require academic and/or auxiliary accommodations for this course must contact the Student Accessibility Resource Center located in Downing Student Union, 1074. SARC can be reached by phone number at 270-745-5004 [270-745-3030 TTY] or via email at sarc.connect@wku.edu. Please do not request accommodations directly from the professor or instructor without a faculty notification letter (FNL) from The Student Accessibility Resource Center.

Statement of Diversity

Western Kentucky University is committed to empowering its campus community to embrace diversity by building equitable and inclusive learning, working, and living environments. At the heart of our mission, we seek to provide holistic education and employment experiences that prepare students, faculty, and staff to become effective scholars, contributors, and leaders in our diverse and evolving communities. To that end, this classroom is an inclusive space where all participants are welcomed and treated with respect, dignity, and acceptance. Immoral, illegal, or unethical behavior and/or communication will not be tolerated.

While the majority of students are comfortable with the pronoun sets “he/him” or “she/her,” there is a growing population who prefer “they/them” pronouns, or another pronoun sets like ze/zir, per/pers, ey/em, or xe/xem, to avoid binary gender association. Participants in this course may choose to go by the pronoun sets with which they identify and are most comfortable. In addition to pronouns, all students have the right to indicate their preferred first name on TOPNET; this will appear on class rosters. If you did not specify your preferred name on TOPNET, please let me know what name and pronouns I should use for you. Student’s chosen names and pronouns will be respected at all times in the classroom.

Title IX Compliance

Western Kentucky University (WKU) is committed to supporting faculty, staff and students by upholding [WKU’s Title IX Sexual Misconduct/Assault Policy \(#0.2070\)](https://wku.edu/eoo/documents/titleix/wkutitleixpolicyandgrievanceprocedure.pdf) at <https://wku.edu/eoo/documents/titleix/wkutitleixpolicyandgrievanceprocedure.pdf> and [Discrimination and Harassment Policy \(#0.2040\)](https://wku.edu/policies/hr_policies/2040_discrimination_harassment_policy.pdf) at https://wku.edu/policies/hr_policies/2040_discrimination_harassment_policy.pdf.

Under these policies, discrimination, harassment, and/or sexual misconduct based on sex/gender are prohibited. If you experience an incident of sex/gender-based discrimination, harassment and/or sexual misconduct, you are encouraged to report it to the Title IX Coordinator, Andrea Anderson, 270-745-5398 or Title IX Investigators, 7 Michael Crowe, 270-745-5429 or Joshua Hayes, 270-745-5121.

Please note that while you may report an incident of sex/gender based discrimination, harassment and/or sexual misconduct to a faculty member, WKU faculty are “Responsible Employees” of the University and MUST report what you share to WKU’s Title IX Coordinator or Title IX Investigator. may be able to afford you confidentiality, you may contact WKU's Counseling and Testing Center at 270-745-3159.

WKU Plagiarism and Academic Integrity Policy

Student work may be checked using plagiarism detection software. To represent the ideas or interpretations taken from another source as one's own is plagiarism. Plagiarism is a serious offense. The academic work of students must be their own and for this class. Students must give the author(s) credit for **ANY** source material used. Credit must be either at the bottom of the material's page or in a list of references. To lift content directly from a source, even if it is from a website or friend's work, without giving credit and/or quoting is a flagrant act. To present a borrowed passage after having changed a few words, even if the source is cited, is also plagiarism. Plagiarism or other act of academic dishonesty can and will result in an "F" for the assignment and possible dismissal from the university. All plagiarism must be reported to Student Affairs.

Admission to Teacher Education, a Criminal background check, TB test and a health screening are required prior to any work in the schools. Students are responsible for obtaining these through the office of Teacher Education –GRH 2052; (270) 745-4300. Contact [Teacher Admissions](http://www.wku.edu/teacherservices/teacher_admissions/index.php) at http://www.wku.edu/teacherservices/teacher_admissions/index.php for more information. If you have already completed these screenings for another course, such as EDU 250, you do not have to do it again for this course.

Healthy On The Hill

- Masks continue to be required at all times while using WKU transportation services and when in public areas or shared spaces within buildings, including hallways, classrooms, laboratories, elevators, etc. We encourage you to review the CDC's recommendations concerning masks.
- Any member of the WKU Community who tests positive or has been identified as a close contact for COVID-19 must contact the WKU COVID Assistance Line within four hours of receiving the positive test result or being identified of exposure by calling 270-745-2019. Close contacts may not be required to quarantine if they are fully vaccinated and have received their booster (if eligible).
- Isolation and quarantine protocols have been updated to reflect new guidance from the CDC. Particularly of note, the revised protocols shorten the isolation period for positive cases to five days in most instances, followed by masking for an additional five days. Isolation can end after five full days if you are fever-free for 24 hours without the use of fever-reducing medication and your other symptoms have improved. Please refer to the CDC's latest isolation and quarantine guidance or contact the WKU COVID Assistance Line.
- Vaccines and boosters are readily available in our area, including the Graves Gilbert Clinic on campus. The COVID vaccine remains our best defense against the virus. If you are not yet vaccinated or have not obtained a booster shot (if eligible), we strongly encourage you to take this important preventative measure.
- All members of the WKU Community are asked to report or update vaccination status online at wku.edu/vaccine. The form has recently been updated to allow individuals to submit booster shot information.
- The COVID-19 Assistance Line at 270-745-2019. The assistance line is available to answer questions regarding any COVID-19 related issue. This guidance is subject to change based on requirements set forth by public health agencies or the office of the governor. Please refer to the Healthy on the Hill website for the most current information. www.wku.edu/healthyonthehill
