OnMusic Appreciation helps students appreciate, understand, and develop critical thinking skills for a variety of musical styles and genres. Designed for the non-music major, this course presents the basic building blocks of music and fosters attentive, intelligent listening with more than 20 hours of full-length pieces and interactive listening guides. (Don't worry - you won't have to listen to all 20 hours. It's just available.)

OnMusic Appreciation offers a robust set of digital content designed to make learning accessible and enjoyable for students. And because the material is written by academics and musicians, the quality and rigor is built into all course content, videos, and streaming music.

This IS NOT a Blackboard course.

It is set up through “Connect for Education” and you must purchase the Access Code in order to take the course. **IN ADDITION TO REGISTERING WITH WKU, YOU MUST BE REGISTERED ONLINE WITH CONNECT4EDUCATION IN ORDER TO PARTICIPATE IN THIS COURSE. Our course begins on **Monday, July 11.** [L] [SEP]

Midterm and Final Exams are timed. You may take them at any time during the allotted days, BUT you will have only 2 hours to complete them.

MIDTERM--is available **Thursday, July 21 through Saturday, July 23.** [L] [SEP]

FINAL EXAM—is available **Thursday, August 4 through Sunday, August 7.** That makes the entire weekend available for you to wrap things up and find a time to take the final exam.

No assignments, assessments, tests, etc. will be accepted after August 7. Please realize that an assignment/assessment that is left blank will be computed as a 0 in your final grade.

This term is **ONLY 3.5 weeks** long so you will need to pace yourself in order to complete the content in the time allotted.

I will review your work as soon and as much as possible and email you feedback when necessary.

Tips: Don't try to do too many sessions at once.
Get a good sense for the topic before you take the assessment.
I encourage you to email me with any questions or concerns about the assignments.

Our course begins on Monday, July 11, 2022 and ends on Thursday, August 4, 2022. As stated above, I have extended the Final Exam time through the weekend to give you plenty of time.

Please be sure to get the course materials ASAP and be ready to roll on Monday, July 11th!
