Meet the Instructor

Dr. Flak is a senior HR/Info Systems Analyst with an extensive background in driving organizational performance improvements and providing ethical oversight. He has over 16 years of experience in human resource management, creating sustainable strategies that draw upon market analysis. His expertise is rooted in building high-performance cross-functional teams, developing executive-level client relationships, and utilizing best-practice human resource management approaches. Dr. Flak holds a doctorate in organizational change and leadership from the University of Southern California, a master's in organizational leadership from Western Kentucky University, and a bachelor's in organizational management from Ashford University. His doctoral dissertation explored the knowledge-based, motivational, and organizational root causes preventing organizations from implementing executive succession plans. His study further examined the underdevelopment of workplace competencies for employees as potential executive candidates. Dr. Flak teaches within WKU's School of Leadership and Professional Studies in the College of Education and Behavioral Sciences. Dr. Flak serves on the National Board of Directors for the WKU Alumni Association and is a member of the Alumni Recognition and Strategic Planning committees. Office Location & Hours

Appointments – <https://calendly.com/robertflak/>

I do not have constant access to my phone or WKU email throughout the day (usually 9a – 5p). However, I can briefly check messages/emails during those hours on a sporadic basis. If I see a message/email from you during that brief check, I will respond at that time. To better serve you and respect your time, I ask that you consider scheduling an appointment using the Calendly link above. That link will provide Zoom video conferencing details within the appointment date/time confirmation email. If you prefer a phone call, state that in the confirmation notes, and I will call you during our scheduled meeting time. In general, email is the best way to contact me. You will get an email response within 24 hours (often within a few hours during the week). If I will be out of town or have no email access for some reason, I will alert you to this before it happens, unless it is an emergency. I am happy to help you, so do not hesitate to ask.

Required Texts (3) and Assessments (3)

Texts (3):

1. Northouse, P. (2021). *Leadership: Theory and practice*, 9th ed. Sage. ISBN 978-1544397566
Do not purchase a previous edition. Noted as "LTP" in homework assignments. This text provides students with explanations of leadership theories and provides a basis for theoretical leadership discussions both in class. Organizational Leadership has partnered with Sage, Inc. to provide students with an e-book for our required text, Theory and Practice 9th edition by Peter G. Northouse. By enrolling in this course, students agree to purchase this e-book. Students can still purchase their copy of the Northouse text and opt out of the e-book. To opt out of the e-book, please use this [LINK](#) (also found in the Announcements of our Blackboard course site) and complete the required form. Approximately two weeks into the semester after the drop/add period, students will be billed the cost of this e-book **IF YOU DO NOT OPT-OUT**. If students choose to drop the course during the regular add-drop period, they will not be charged for the online portion of the material.

2. Clifton, J., & Harter, J. (2019) *It's the Manager: Moving from boss to coach*. Gallup. ISBN: 978-1595622242

PURCHASE ONLY A NEW AND UNUSED COPY OF THIS BOOK!!! Students MUST purchase a new book to complete an online leadership CliftonStrengths assessment supplied by the authors (this is the first assessment). Each book has a specific code that allows only one person to take the CliftonStrengths online assessment. In addition, students will receive a feedback report on their strengths and use this feedback report to complete the SLPI Guided Leader Behavior Reflection Paper.

3. Kouzes, J. M., & Posner, B. Z. (2017). *The Leadership Challenge*, 6 ed. Jossey-Bass. ISBN 978-1119278962

You can also use the **5th Edition**. The text explains the Leadership Challenge Model used throughout this course and the Organizational Leadership master's program. ***It is highly recommended that Organizational Leadership students keep this book as it will be used in other LEAD courses.***

Assessments (3):

1. Jung Typology Personality Assessment

This is a free online personality survey. Students will complete this personality assessment and use the information to complete the SLPI Guided Leader Behavior Reflection Paper.

2. CliftonStrengths Assessment

This online assessment provides insights into your leadership strengths. This assessment is included in the text; *It's the Manager*. Each book has a specific code in a paper flap at the end of the book that allows only one person to take the CliftonStrengths online assessment - this is why students must purchase a new book. Students will receive a feedback report on their strengths and use this feedback report to complete the SLPI Guided Leader Behavior Reflection Paper.

3. Student Leadership Practices Inventory (SLPI) Assessment

In addition to the three texts, students must purchase and complete the Student Leadership Practices Inventory (SLPI) assessment during the first lesson. The SLPI is a leadership assessment that students take to provide feedback on the *Five Practices of Exemplary Leadership*. The *Five Practices of Exemplary Leadership* is a model taught during LEAD 500 and stressed throughout the Organizational Leadership program. In the capstone course, LEAD 600, students will retake the SLPI to gauge progress in developing their leadership. All students in LEAD 500, regardless of whether they are Organizational Leadership students, must purchase and complete the SLPI assessment.

The SLPI is an online survey that consists of a self-assessment and feedback from others (observers students choose) who complete the same but anonymous online assessment. Once the self and observers complete the assessment, students will receive a detailed feedback report illustrating their ratings in the five practices of the model. This feedback is then used to complete the SLPI Guided Leader Behavior Reflection Paper.

Instructions on how to purchase a token to take the SLPI are posted in the Start Here, Please! area of Blackboard along with the syllabus.

Course Policies

Course Software Standards

The course software standards are Word for word processing, PowerPoint for presentations, Excel for presentations, and Adobe Acrobat for viewing PDF files.

Blackboard

Blackboard serves as a repository for course documents and communication in mass. Once logged in, students will see a list of all courses they are enrolled in using Blackboard. Select "Effective Leadership Studies – (term)" to enter LEAD 500. If you have technical issues, please call (270) 745-7000, the WKU IT Help Desk.

Assignments

All assignments are due by 11:59 PM CDT as listed in the Assignment Schedule at the end of this syllabus.

Late Submission Policy

Students can only submit late work (discussion posts, assignments, etc.) up to three days past the original due date. However, late submissions will incur incrementing late penalties of 10%, 15%, and 20%. For example, **day one late submissions will receive a 10% penalty; day two late submissions will receive a 15% penalty; day three late submissions will receive a 20% penalty.** Students will receive no credit for submissions after the three-day late submission deadline without prior coordination with the instructor.

Format for all Assignments

Format for all assignments (except for Discussion Boards and unless a different format is specified) is APA Format, 7th edition: double-spaced, Times New Roman or Arial font, 12 pitch, one-inch margins, cover sheet, and reference page – **see the guidance found in the APA Style Help Folder located in the Writing Assistance area of Blackboard.**

Cheating and Plagiarism

To represent ideas or interpretations taken from another source as one's own is plagiarism. Plagiarism is a grave offense and is not tolerated. The academic work of students must be their own. Students must give the author(s) credit for any source material used. To copy content directly from a source without giving credit is a flagrant act. To present a borrowed passage after having changed a few words, even if the source is cited, is also plagiarism. Works submitted for any other class are also not acceptable. Assignments that have been plagiarized receive a grade of "F" and could result in a student failing the course. The instructor may check student work by using plagiarism software. Please refer to the "academic offenses" section of the WKU Student Handbook.

Incompletes

A grade of "X" (incomplete) is given only when a small amount of work is not completed because of illness or other reasons satisfactory to the professor. A grade of "X" received by a student will automatically become an F unless removed within twelve weeks of the next full term (summer term excluded). Incompletes must be pre-approved by your instructor.

Privacy Matters

The Internet may change or challenge notions of what is private and what is not. The instructor prefers to provide disclosure up front so students know what the possibilities are. Although a password protects the course, such tools are not perfect as human beings are using them. Passwords relatively protect students, but no one can guarantee privacy online. Part of the privacy of every student depends on each student's actions.

-  The course software lets the instructor know which students have logged in, where in the course site they have visited, and how long they have stayed. The technology support team also has access to the information posted on the site.
-  Course Security: If students use a public terminal (say at a hotel or library), completely close the browser software when finished. This will prevent another person from accessing the course using your identification, making mischief in your name, and violating the privacy of other students.
-  Do not allow access to the course to those not registered in the course.
-  Guard your password and change it from the one assigned at the start of the term. (Go to Student Tools).
-  Participants are expected to represent their course identities truthfully. Falsifying your identity is grounds for disciplinary action of all parties involved.

Intellectual Property

It is a common misconception that material on the Internet is free. Work is the creator's property, even if a copyright notice is absent. The instructor expects students to post only material that is the students by right of creation unless the student gives proper credit and indications. The plagiarism policy applies on the Internet too. Images, sounds, and other multimedia are included in copyright law. (For example, professionally done photos for high school yearbooks belong to the photographer. People only purchase copies.) It is common to receive Emails with amusing articles or other materials. Be aware that it might be an illegal copy, and exercise caution in forwarding it. It may also contain a virus. On the plus side, ideas cannot be copyrighted. Students can share an essential part of a website as long as it is in the student's own words or interpretation.

ADA Accommodation

In compliance with University policy, students with disabilities who require academic and/or auxiliary accommodations for this course must contact the Student Accessibility Resource Center in Downing Student Union, 1074. SARC can be reached at 270-745-5004 [270-745-3030 TTY] or via email at sarc.connect@wku.edu. Please do not request accommodations directly from the professor or instructor without a Faculty Notification Letter (FNL) from The Student Accessibility Resource Center.

The Learning Center (TLC)

Should you require academic assistance with your WKU courses, The Learning Center (located in the Downing Student Union, 2141) provides free supplemental education programs for all currently enrolled WKU students. The Learning Center at Downing Student Union offers certified, one-on-one tutoring in over 200 subjects and eight academic skill areas by appointment or walk-in. In addition, online tutoring is offered to distance learners. TLC is also a quiet study area (with side rooms designated for peer-to-peer tutoring) and a computer lab to complete academic coursework. Please call TLC in the Downing Student Union at (270) 745-5065 for more information or schedule a tutoring appointment. www.wku.edu/tlc.

Title IX, Discrimination, Harassment, and Sexual Misconduct Policy

Western Kentucky University (WKU) is committed to supporting faculty, staff, and students by upholding

 [WKU's Title IX Sexual Misconduct/Assault Policy \(#0.2070\)](https://wku.edu/eoo/documents/titleix/wkutitleixpolicyandgrievanceprocedure.pdf) at <https://wku.edu/eoo/documents/titleix/wkutitleixpolicyandgrievanceprocedure.pdf> and  [Discrimination and Harassment Policy \(#0.2040\)](https://wku.edu/policies/hr_policies/2040_discrimination_harassment_policy.pdf) at https://wku.edu/policies/hr_policies/2040_discrimination_harassment_policy.pdf.

Under these policies, discrimination, harassment, and/or sexual misconduct based on sex/gender are prohibited. Therefore, if you experience an incident of sex/gender-based discrimination, harassment, and/or sexual misconduct, you are encouraged to report it to the Title IX Coordinator, Andrea Anderson, 270-745-5398, or Title IX Investigators, Michael Crowe, 270-745-5429 or Joshua Hayes, 270-745-5121.

Please note that you may report an incident of sex/gender-based discrimination, harassment, and/or sexual misconduct to a faculty member. However, WKU faculty are "Responsible Employees" of the University and **MUST** report what you share to WKU's Title IX Coordinator or Title IX Investigator. If you would like to speak with someone who may be able to afford you confidentiality, you may contact WKU's Counseling and Testing Center at 270-745-3159.

Regular and Substantive Interaction

The U.S. Department of Education requires that distance education courses include regular and substantive interaction between students and faculty. For more information about Regular and Substantive Interaction at WKU, please visit the [Regular and Substantive Interaction in Online and Distance Learning webpage](#).

In this course, regular and substantive interaction will take place in the following ways:

1. Weekly asynchronous sessions with faculty and students
2. Faculty participation in weekly discussion boards
3. Weekly announcements
4. Timely and detailed feedback on assignments provided within one week of submission.

LEAD 500-741 (Fa22) – Description of Assignments

Discussion Board Questions

It is expected that each student will participate in discussions frequently. **Guidance on acceptable discussion board responses can be found in the Start Here area of Blackboard.** Each discussion question is worth 25 points. To receive up to 22 of the 25 points for each discussion board question, students must: 1) answer the question(s), 2) apply an appropriate leadership theory/aspect/practice to the answer that was discussed during the lesson, and 3) provide an example (if appropriate - can be personal) that illustrates your answer. Although most questions are reflective, students must incorporate lessons learned from the reading material for the lesson in their responses. Providing these three aspects in their response to the discussion question(s), the student can earn up to 22 points. Students **MUST** post their responses to the discussion question before they can see responses from other students. Students earn the other 3 points by actively participating in the question by posting comments on other student posts. Online discussion is generally looser and freer flowing than face-to-face. Students should exercise basic respect for one another and not engage in derogatory arguments. Although free flowing and somewhat informal, students **MUST** use correct grammar, spelling, and punctuation during the postings!

Case Study Analyses

Students will read the assigned case studies and then answer the questions at the end of the case study. When answering the questions, students should incorporate key aspects of the lesson into answers and not just answer the question. Each case study is worth 25 points. Please use APA format for your case studies to include a cover sheet and reference page (if references are used). In addition, students will post each case study analysis to the provided link in the Lesson Folders.

SLPI Guided Leader Behavior Reflection Paper

Students will compare the SLPI, CliftonStrengths, and Jung Typology personality assessments (taken during Lessons 1 and 2) to their current leadership approach and write a summary paper on their current leadership approach. ***PLEASE DO NOT USE ANY OTHER SOURCES OTHER THAN THE THREE ASSESSMENTS AND PERSONAL REFLECTIONS, and please do not research leadership constructs when completing this assignment.*** The intent is to capture student perceptions of their current leadership approach to establish a benchmark for future leader development without assistance from outside sources of information.

Please address the following five areas in the reflection paper:

1. Analyze the self and observer ratings from the SLPI. Is there a difference in any of the ratings between self and observer? Please comment on why these differences may exist. (20 points)

Please summarize your understanding of the Leadership Challenge Model:

- a. Model the Way (10 points)
 - b. Inspire a Shared Vision (10 points)
 - c. Challenge the Process (10 points)
 - d. Enable Others to Act (10 points)
 - e. Encourage the Heart (10 points)
2. Analyze the identified strengths from the CliftonStrengths assessment. List your strengths identified in the feedback report. Please comment on the results and their validity compared to your current leadership approach. Do these strengths support the SLPI assessment, or are there differences? Please comment on any differences or similarities. (20 points)

3. How does the personality assessment compare to the SLPI and CliftonStrengths assessments? List your four-letter code. Please comment on the linkages perceived among the three assessments (SLPI, CliftonStrengths, personality). Are there themes or similarities that appear in all three? Are there disconnects among the three? Please comment on why similarities and/or disconnects exist among the three assessments. (20 points)
4. Write a summary of your perceived leadership approach. Based on the three assessments, your overall leadership approach is described by success and failures as a leader and personal reflections. Please cite specific leadership models, theories, or known approaches that best describe your current leadership approach. (20 points)
5. Write a summary of the leadership approach that you want to achieve in the near future. Please cite specific leadership models, theories, or known approaches that best describe the leadership approach desired in the future. (20 points)

Please use APA format (7th edition) with cover sheet and references (ensure to cite the assessments). The total length should be approximately five pages of text.

Leader Analysis Paper

Students will choose and conduct an assessment of a public (not a relative or friend) leader. The public leader can be either historic or currently living. Students must have the person of their analysis approved by the instructor. Please address the following in this leader analysis paper:

1. A brief biography of the chosen leader.
2. Analyze the leader's behaviors using the Five Practices of Effective Leaders by Kouzes and Posner. Ensure you **analyze** each practice. The key is analysis, not proving the leaders exhibited the practice. Often leaders do well in several practices but fall short in others. Please ensure you cite evidence of the leader's behavior to validate your analysis. Students should have approximately one page of analysis for each practice.
3. **Speculate** on this person's SLPI profile (what practices they were high and low), their dominant strengths from CliftonStrengths, and the four-letter personality profile. Although this is speculation, it should be based on the research conducted for this leader analysis.
4. Students must cite five primary sources in the bibliography, excluding any texts for this course. A primary source is a book on that person, an article from an academic journal (Newsweek, U.S. News, and World Report, Time, etc., are NOT academic journals), or another written essay on that person. The key is to use publications created by authors who directly observed the public figure.
5. Please use APA format for your paper to include a cover sheet and reference page.
6. The total length of this analysis is eight pages of written text (plus or minus one page), plus the cover sheet and references.

Grading Rubric for the Leader Analysis Paper. (200 points)

Brief, personal, biographical sketch of the person--where they were born, when, what their childhood was like, who they married, etc. (20 points)

Analysis of the person's leadership according to the Five Exemplary Practices of Leaders:

- Model the Way: (30 points)
- Inspire a shared Vision: (30 points)
- Challenge the Process: (30 points)
- Enable Others to Act: (30 points)
- Encourage the Heart: (30 points)

Speculate on this person's SLPI profile, their dominant strengths from CliftonStrengths, and the four-letter personality profile. (20 points)

Format, grammar, five sources. (10 points).

Leadership Strategic Analysis

The Leadership Strategic Analysis allows students to analyze an organization's leadership. Students will select a public organization (one with readily available information) and then analyze the leadership within that organization. This analysis will assist students later in the capstone course (LEAD 600) when they create a Strategic Leadership Plan for an organization. The components of this Leadership Strategic Analysis include:

1. **Values.** What are the identified values, and how does the organization define the values? Cite evidence (from published articles, internet articles, and other sources) that either confirms that the organization embraces its stated values or does not follow their value. Evidence is available by analyzing the organization's actions, policies, and reputation.
2. **Vision.** What is the vision of the organization? What is the vision based on, their stated values? From the available evidence, does the organization believe in its vision?
3. **Mission/Purpose Statement.** What is the mission/purpose statement, and does it agree/follow/support the organization's values and vision? Provide evidence.
4. What is the **overall leadership style** of the organization? For example, do they follow servant leadership, hierarchal/authoritarian, shared/participative, team, or other leadership styles?
5. **Are the senior leaders in the organization authentic?** Discuss in terms of authentic leadership models.
6. **Is the organization adaptive, transformational, or neither?** Then, please analyze according to the models discussed during our course.
7. Discuss the **ethical climate** of the organization.
8. Discuss the **effects of diversity on the organization** (women, minorities, culture).

Use APA style in writing your paper, Times New Roman or Arial, 12-pitch font, double-spaced, one-inch margins top, bottom, and sides. A cover sheet is required, but no running head or abstract—place page numbers in the upper right corner. The paper length is eight pages (+/- a page) of text (not including the cover sheet or references).

Grading Rubric for the Leadership Strategic Analysis Paper. (200 points)

1. Overview of the organization (20 points)
2. Values analysis (20 points)

6. Senior leader analysis (20 points)
7. Adaptive, transformational – analysis (20 points)
